LAKE SUCCESS, N.Y., April 10, 2015 (GLOBE NEWSWIRE) -- Flushing Financial Corporation (the "Company") (Nasdaq:FFIC), the parent holding company for Flushing Bank (the "Bank"), announced that the Bank has plans to relocate its Corporate Headquarters and open a new full-service branch at RXR Plaza in Uniondale, New York. The relocation and branch opening are scheduled to take place in May. This new full-service branch continues the Bank's planned expansion of its branch network, bringing the total number of branches in the metropolitan area to eighteen. This will be Flushing's third branch located in Nassau County and will provide enhanced access for the bank's business and personal customers who work or live in Nassau County. The announcement was made by John R. Buran, President and Chief Executive Officer.

Mr. Buran stated: "Over the past year, as our business continued to grow and our current lease neared its end, we recognized the need to identify a new headquarters location to enable us to sustain this growth and provide for the efficiencies and synergies that result from the majority of staff being under one roof." He also added: "Nassau County's strong real estate dynamics as well as the commitment by local government and community entities weighed favorably in our decision to stay in Nassau County. We worked closely with the Town of Hempstead Industrial Development Association on programs to support us in bringing over 250 employees to their town. This convenient location also allows us to stay connected with our branch network in the New York metro area while we look to expand the Bank's footprint in Nassau and Suffolk counties."

Mr. Buran also stated: "We are excited to expand upon our success in Nassau County. This branch will showcase a new branch model that will combine innovative technology with highly trained people to provide a superior customer experience. We recognize the role of the branch is changing and we must adapt to stay current with the evolving trends. The establishment of a branch at RXR Plaza will provide us with an opportunity to add the convenience of full-service banking and deliver financial services to all of the individuals and businesses located in the building and the surrounding areas. This new Nassau County location reinforces our long-term commitment to the individuals, families and businesses that live or work in Nassau County. We look forward to meeting with the individuals, and businesses that work in this building and discussing the financial solutions that are right for them."

Flushing Bank's RXR Plaza branch will be offering special promotions and giveaways during the months of May and June. The RXR branch will be open 5 days a week with hours of operation on Monday through Wednesday and Friday 8:30 a.m. to 4:30 p.m. and Thursday 8:30 a.m. to 6:00 p.m.
