

Flushing Financial Corporation Appoints Michael A. Azarian to Board of Directors

Feb 05, 2019 4:30 PM

UNIONDALE, N.Y., Feb. 05, 2019 (GLOBE NEWSWIRE) -- Flushing Financial Corporation (the “Company”) (Nasdaq: FFIC), the holding company for Flushing Bank (the “Bank”), announced today the appointment of Michael A. Azarian to its Board of Directors of the holding company, the Bank, and its subsidiaries effective February 26, 2019. The announcement was made by John R. Buran, the Company’s President and Chief Executive Officer, on behalf of the Company’s Board of Directors.

Mr. Buran stated: “We are thrilled that Michael Azarian has agreed to join our Board of Directors. Michael is an accomplished business leader who brings with him more than 40 years of diversified technology operations experience in the financial services industry with over 30 years at two industry leaders, JPMorgan Chase and Citigroup. We recognize the important role that technology plays in our future growth strategy and having someone with Michael’s pedigree will provide us with a unique insight to compete effectively.”

Alfred DelliBovi, Chairman of the Board, added: “On behalf of the Board of Directors, I want to welcome Michael and look forward to working with him for years to come. The depth of Michael’s background will prove invaluable to our organization and I am confident that Flushing Financial will benefit greatly from his insight, judgment, and counsel.”

During his 10-year tenure at Citigroup, Mr. Azarian held the role of Chief Information Officer for the U.S. based retail consumer and commercial technology groups. In his final role before retiring in 2017, Mr. Azarian was the Managing Director for the consumer bank’s “Rainbow” program. This initiative focused on delivering advanced customer servicing capabilities which included increasing customer acquisition and cross-selling opportunities.

Prior to Citigroup, Mr. Azarian held a multitude of roles over his twenty years at JPMorgan Chase which included leading technology across the Consumer, Small Business, and Personal Financial Services markets. Earlier in his tenure, he was the Chief Technology Officer for global infrastructure as well as the Chief Operating Officer for JPMorgan’s Internet Incubator. This team developed the “Morgan On-line” program which offered personal financial services to the mass affluent sector of the Private Bank.

Mr. Azarian is an Advisory Board Member of CxO Nexus which helps Global 5000 CIOs, CMOs, CFOs, CPOs, and VMOs leverage procurement data to increase efficiency through the use of advanced Data Science and Deep Learning Neural Network techniques.
